**For Immediate Release**

Bio-Productions, the manufacturers of Citra Clean Concentrate & the originators of the biological urinal block, Toss Blocks, are to represent the UK in the European Business Awards for the Environment.

The company is among the major winners in the Green Apple Environment Awards – one of the few accredited feeder schemes into the international campaign.

Mike James, Bio-Productions managing director will be presented with the Award at the House of Commons on the 9<sup>th</sup> of November, & the top winners will represent the UK in Brussels.

Bio-Productions will also be invited to join the National Green Heroes, an elite group of environmental achievers who use their experience to help thousands of others – and the environment – around the world.

The Green Apple Awards are in their fourteenth year and attracted more than 500 nominations this year. They are organised by the Green Organisation, an independent, non-political, non-activist, non-profit environment group dedicated to recognising, rewarding & promoting environmental best practice around the world.
