

DISHWASH POWDER

Dishwasher Powder Deluxe

Our heavy duty commercial grade dishwasher powder is specially formulated for the professional caterer to remove grease, dried on food and tannin stains from all types of crockery, cutlery and glassware.

Dishwash Powder is powerful, non-tainting and odourless and helps to leave a clean, clear finish to minimize re-washing.

- Can be used in the dishwasher
- Minimises re-washing
- Prevents scaling and removes tannin stains from tea
- Suitable for both hard and soft water areas
- Can be used on glassware (read instructions)

DIRECTIONS

Do not mix metals (e.g. do not put stainless steel and silver on the same rack). Always select the programme most suitable for the items to be washed. Main Wash Programme (60-70 C); Glasswares and Delicates (40-50 C). Never sprinkle and powder directly onto crockery or cutlery. Take particular care when glass washing – always use the mildest wash programme and the correct dosage of powder.
