

TOILET CLEANER

Toilet Cleaner and Descaler

Toilet Cleaner and Descaler is specially formulated to clean, deodorise and remove rust stains and limescale effectively from fittings and surfaces around the washroom including ceramic, chrome and stainless steel. Concentrated and pleasantly fragranced blend of heavy duty, non-fuming acids removes built-up calcium scale and soiling from all washroom sanitary ware.

- Safe to use on stainless steel, chrome and ceramic
- Pleasantly fragranced
- Removes soiling, rust and calcium build up from fittings and surfaces
- Suitable for use in all plumbing systems including septic tanks
- Cleans and deodorises in one

APPLICATION

Not recommended for cleaning painted surfaces, galvanized metals, zinc, tin or aluminium alloys. Must not be used on vitreous coated cast iron.

Not to be used in conjunction with other cleaning chemicals.

DIRECTIONS

Apply directly on to the surface to be cleaned and under the rim of toilet bowls. Leave to work for a minimum of 30 seconds before agitating with a stiff brush (not wire). Leave to work for a further 30 seconds and flush with water to rinse away any remaining residue. Repeat if necessary or further soiling occurs.

PACKAGING

Order Code: TCD-750

Pack Size: 12 x 750ml

STORAGE

Store in the original sealed container in cool, dry conditions.

Keep lid tightly closed when not in use

Keep out of the reach of children.
