

# URINE STAIN NEUTRALISER

## Carpet Pre Treatment

Our Urine Stain Neutraliser can be used for the effective pre-treatment of acid based stains caused by bodily fluids such as urine and vomit prior to cleaning.

It is an essential product to use in avoiding a chemical reaction and preventing the flaring up of old stains during the cleaning operation.

- Effective pre-treatment of acid based stains caused by bodily fluids prior to cleaning
- Prevents chemical reaction due to being pH neutral
- Prevents the flaring up of old stains
- Works on urine and vomit

## APPLICATION

Urine Stain Neutraliser can be use on most carpets and upholstery fabrics in effectively removing stains for bodily fluids such as urine and vomit.

It can be use undiluted and will not create a chemical reaction on the carpets or upholstery fabrics due to its pH neutral formulation.

## DIRECTIONS

Use undiluted.

Spray or pad onto affected areas and leave for 5-10 minutes.

Flush and extract

To deodorise, follow with **Bio Productions Sta Kill** deodoriser as directed
